Whether at daycare, at school or at home, your child will receive **8 books**, one each month, from November to June. It’s a **fun and stimulating assortment chosen with care** to fit their age and interests.

As your child discovers the books with you, they’ll bond with their heroes, vital little guides to help them as their lives unfold. Our selection appeals to their curiosity, their feelings, and **their need to understand the world**.

**An ideal library for your child at a critical point in their learning**

This year, as l’école des loisirs celebrates its **40th anniversary** of book subscriptions, we want to thank you for your loyalty. Anniversaries mean gifts! Exhibits, audio books, contests, meetings with authors, your child’s birthday, all sorts of surprises to **keep on reading**. Together, let’s share the joy of reading

**l’école des loisirs**
Where do their names come from? What do they eat? How long did they live? From the ankylosaurus to the velociraptor, and not forgetting the iguanodon, you’ll know everything about dinosaurs!

A shipwrecked family finds refuge on a mysterious island. It appears the island is alive and soon draws its inhabitants into a charming voyage of discovery of the wonders of marine life.

In the eyes of a mother, each of us is special. Take bear cub Alfie: throughout the world there’s not another like him. This little bear is simply unique. Like you!

While horsing around with his friends, Berk the duck lost an eye! Everyone’s helping him hunt for it. But take care! Don’t confuse an eye with another oval, hazel object.

The squirrel talks a lot about protecting trees. The problem is that he does the exact opposite of what he preaches. He chews, damages, destroys and… he may very well be punished.

Grand Chien and Petit Chat are going on a seaside holiday. Petit Chat would have preferred the mountains. Grand Chien has an idea. What if he were to build a sand mountain on the beach?

Swimming, eating ice cream… summer is my favorite season. It seems that soon it’ll be over. After, it will be dark, and sad, and cold. My sister told me that. Should I believe her?
