The best books for your child

Whether at school or at home, your child will receive 8 books, one each month, from November to June. It's a fun and stimulating assortment chosen with care to fit their age and interests.

As your child discovers the books with you, they'll bond with their heroes, vital guides to help them as their lives unfold. Our selection appeals to their curiosity, their feelings, and their need to understand the world.

Adventure and graphic novels, documentary stories… to escape, to laugh and reflect

This year, as l'école des loisirs celebrates its 40th anniversary of book subscriptions, we want to thank you for your loyalty.

Anniversaries mean gifts! Exhibits, contests, games, meetings with authors, all sorts of surprises to keep on reading.

Together, let’s share the joy of reading
l’école des loisirs
Yin and her grandfather caught a strange beast while they were fishing. Was this simply by chance on the eve of the Sino-Japanese war? What if this golden dragon had a vital role to play during the conflict? Yin hides it while she waits to find out.

Sophie Germain
Sylvie Dodet
Illustrated by Julien Billaudeau
Because she was a woman, Sophie Germain (1776–1831), had to do everything in secret: study mathematics, take courses at the Polytechnical institute, compete for the Grand Prize of the Science Academy (and win)! Perhaps the time has come to honor her achievements, no?

Lancelot Dulac
Victor Pouchet
Illustrated by Killoffer
Having constantly been reminded his name is the same as a knight of the Round Table, Lancelot Dulac is passionate about stories of chivalry. But how easy is it to embody knightly valor in the modern era, in sixth grade when you’re only 1.35 metres (4ft 4in) tall?

MIA, LES LOUPS ET MOI
Anas Sautier
 Illustrated by Lucia Calfapietra
For or against returning wolves to France? Ten-year-old Romain paid little attention to the issue. But since his dad was named the veterinarian for the Parc de la Vanoise, he’s begun to encounter odd creatures. And among them, not at all uninteresting, is Mia – a pro-wolf green activist.

Miss Charity
Luc Clement • Anne Montel
Based on a novel by Marie-Aude Murail
With her parents, Charity ought to have gone crazy or become depressed. Quite the opposite; she’s full of life and curiosity. Shakespeare, fauna, and flora, all inspire her. She observes and dreams, collects, and draws – the childhood of a great artist.

La Capucine
Marie Desplechin
Between working her vegetable garden and at the Halles de Paris, Louise, age 13, was worn out. But her protector, Bernadette, who is a cordon-bleu chef and a visionary, has inherited the soul of Victor Hugo! She’s the inspiration to the exploited young worker to cast off her shackles…

Rumeur
Thomas Lavachery
Timid Tarir, rather than react when his cousin accused him of being a “capincho eater”, the worst insult a Zapiro Indian can hurl, remained silent. The abuse had its toxic effect and Tarir became a pariah in his own tribe and had to flee. But where could he go in this menacing world?
